

Canine Cabbies Sponsorships

NORTHSHORE

HUMANE SOCIETY

rescue • care • no-kill • outreach

Canine Cabbies is a Northshore Humane Society program in which volunteers who are representing our organization actively showcase adoptable dogs at public places in the community. As a result, we are recruiting local businesses to sponsor the program. The sponsorship donations and fees help fund other programs and services that benefit our homeless animals. At the end of the six-month period, sponsors will be contacted by a representative of Northshore Humane Society to inquire if they would like to renew. Please, take a look at the sponsorship opportunities below and choose the one that interests you the most!
