

2017 was a year of growth & stability....

With your support, Northshore Humane Society had a tremendous year, saving the lives of homeless animals, providing veterinary care to the community's pets and jumping into action during times of need.

I am both proud and humbled to see the positive impact we have made to the lives of over 12,000 animals.

Our team helped those affected by both Hurricane Harvey and Irma. NHS created and managed a donation warehouse collecting approximately 164,000 pounds of pet-related items. Our team also traveled to Texas to rescue over 30 dogs affected by the aftermath of Hurricane Harvey.

Thank you for being a continued partner of our rescue and helping to make a difference in the lives of homeless dogs and cats in our community.

Scott Bernier, CEO
