2018 was a year of growth & stability...

With your support, Northshore Humane Society and the animals we serve had an extraordinary year. Through our community clinic, our life-saving programs and disaster relief, we saved a countless number of homeless animals.

Sage

I am both proud and humbled to see the positive impact my staff and I have made in the lives of over 14,000 animals on and around the Northshore.

In 2018, our team helped numerous dogs and cats who came to us with serious medical conditions. With no one to take on the burden of caring for them, either financially or emotionally, we stepped up to help. But we could not do it without your help.

Thank you for being a continued partner of our rescue and helping to make a difference in the lives of homeless dogs and cats in our community.
